OTHER CHARGES

Real Estate Closing Account Charge: A \$20.00 charge shall apply whenever a customer (or the customer's agent, attorney, real estate broker, Title Company, etc.) requests a written documentation from the utility of the customer's account status in connection with a real estate closing.

Special Meter Reading Charge: A \$20.00 charge shall apply whenever a customer requests a special meter reading by the utility personnel on a date other than the regularly scheduled meter reading. (Note: If the customer schedules an appointment for a special meter reading by utility personnel and the customer fails to be present at such time to allow access to the meter, the customer shall be billed \$20.00.)

Special Billing Charge: A \$20.00 charge to cover administrative expenses shall apply whenever a customer requests special billing outside of the normal utility billing. (Note: No special meter reading charge would apply if the customer provides the meter reading.)

Non-Sufficient Funds Charge: A \$20.00 charge shall apply to the customer's account when a check rendered for utility service is returned for non-sufficient funds. This charge may not be in addition to, but may be inclusive of, other non-sufficient funds charges when the check was for payment of multiple services.

Bulk Water: Water supplied from hydrants will be billed a charge for the volume of water used to the party using the water at \$1.75 per 100 cubic feet. A service charge, in addition to the volumetric charge, will be \$35.00.

Reconnection Charges: Reinstallation of meter, including valving at curb stop \$35.00 during business hours, \$47.00 after normal business hours. Valve turned on at curb stop \$25.00 during business hours, \$35.00 after normal business hours. No charge for disconnection.
